

DIA COMPETITION DANCER TEAM MEMBER CONTRACT

- I will give 110% every class time, rehearsal, and performance. I will not sit out of class unless necessary!
- I understand attendance is crucial to my team classes- I will not miss any classes unless absolutely necessary and if so it will be for things like school required functions, funerals, emergencies, etc. When learning routines and cleaning them, we need you there both physically and mentally!
- I understand that some style of technique will be required for most Competition Teams. It is how we grow most as a dancer! Some will be done during the actual team class, some will be a separate class, and some will be as an occasional workshop. I will do my very best to be in all classes!
- **I will be respectful to my teachers, assistants, choreographers, and my teammates. Bullying WILL NOT be allowed or tolerated. All issues should be brought to your teacher’s attention ASAP.**
- I will practice my routines outside of class and do any other “homework” my teachers give me. I understand we need to be moving on every week and doing new things and not spending the whole class time reviewing stuff from the previous week. I will make memorizing my routines a priority.
- I will attend all competitions and performances. That is why I signed up for a competition team! ☺
- DIA is a drug free studio!
- I will do my best to keep my body healthy and out of harm. I will address injuries quickly by my own care and/or a doctor. If I need to sit out of classes for over a week, I will go to a doctor to get my injury accessed and check my dance ability status.
- I will give my parents all of my notes and weekly info and will communicate with them what is happening at the studio weekly. Likewise I will keep a lookout for email, text, and facebook messages! All notes and info will be available on the website also.
- I will strive to improve my dancing weekly. I understand EVERYTHING needs to be full out- everything I do, every time I do it! I will not sit out of class unless necessary!
- I will keep my dance account up to date as much as possible. I will participate in fundraisers or set up payment plans if my account has a past due balance. I understand that if my account goes excessively long without a payment or with a large past due balance- I will have to drop classes, etc. If I am quitting during the season, I must let my teacher know ASAP. Depending on the time of the season, I may not be able to receive a refund for some things and will still be responsible for paying them.
- I will be respectful of DIA property and do whatever I can to keep my home a clean, positive place to be.
- If I am a Team Captain- I realize I have some extra responsibilities. I am next in command for my team. I will be a good example, a great leader, and will do what I can to make my team the very best it can be.
- I understand if my attendance and/or performance and/or attitude are poor I may lose my privilege to perform with my team. I am at DIA because I want to be and I won’t be afraid to show it!
- I will be a good representative of Dance Image Academy- inside and outside of the studio. I will avoid gossiping. I will not talk badly about DIA, its staff, or dancers on facebook or any social media site. I will come to my instructor or Dannielle FIRST with any problem I am having at the studio.
- I will have a positive attitude and work to make this the best season ever, have a blast doing it, and knock everyone’s socks off with my crazy mad skills!

This contract is valid for the 2016-2017 Dance Image Academy Season- September 2016 thru June 2017. At this time if I am signing this contract, I am agreeing to the things above and moving forward at full force.

If I chose not to sign this contract, I have decided not to be a competition team member at DIA for this season. I still may continue taking classes at DIA on a training class.

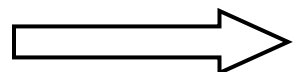

If I do sign the contract but chose not to abide by it- I understand that I will lose my performing privileges. I know Coach D loves me no matter what & I will do overall what is best for DIA.
